OUR STORY

CHEERS TO EIGHT YEARS OF PIZZA AND BEERS

Back in 2013, the taste for sourdough was growing. One 70 year old sourdough starter, an obsession with sourdough, plus a Land Rover fitted with a mobile pizza oven... Naturally, the name wrote itself. We roamed around Somerset serving handmade sourdough pizzas to family, friends and festival-goers.

Pizzarova grew a loyal following of local Pizza Lovers. We now have 3 restaurants in Bristol whilst staying true to what we know, good-mood food on the go.
